Dear Parents,

Many people think that schools insure students to cover medical expenses in case of accidents on school property. Unfortunately, this is not true. If you are interested in information regarding voluntary school accident insurance, your student may secure a brochure from the school office. The **accident** policy has **LIMITED BENEFITS**. The postmark on the envelope, which is attached to the brochure, is the official date of your enrollment in the student insurance plan for 2009 – 2010.

Your school insurance will be your primary insurance but it is best to file with the school insurance and any personal insurance you may have at the same time.

The following insurance plans are available and are **PRIMARY TO ALL OTHER INSURANCE**.

ACCIDENT INSURANCE PLANS:

- At School Accident Insurance: Grades PRE K - 12 \$62.00/yr
 - 24-hour Accident Insurance: Grades PRE K -12 \$115.00/yr
 - Dental Accident Insurance: Grades PRE K- 12 INCLUDED
- (Dental Plan Only available purchase of one of the above plans).

These are **ONE-TIME PAYMENTS** for the entire year. Coverage will be from the effective date through July 31, 2010.

YOU MAY CONTACT THE SCHOOL DISTRICT FOR AN APPLICATION OR CALL 1-800-278-8994, OR YOU MAY ALSO ENROLL ONLINE At **kizstudentinsurance.com**.

Underwritten by: United Healthcare.

If you have any questions concerning your insurance, you are to call **Greg White, Texas Monarch Management Corporation (1-800-278-8994)**.

NOTE: All 7-12 grade athletes are covered for accidents during athletic activities under a separate policy and information for their insurance is provided for their parent/guardian in their athletic packet that is given to them by their coach when their athletic season begins (football, basketball, etc.)
