

# How will the 2007 Bond impact Pine Shadows Elementary?

Pine Shadows was constructed in 1955. While several renovations have been made over the years, additional upgrades to the school would be cost prohibitive.

In addition, the school has drainage issues and mechanical/electrical systems are at or near the end of their life cycle.

Pine Shadows will be rebuilt at its current location. Recent additions will be retained and incorporated into the new design of the school.
