

## **Upgrades Underway at Other SBISD Athletic Facilities**

### **Tully Stadium**

*Projected Completion: August 2010*

Already completed is the new field house with six dressing rooms so SBISD can host multiple sporting events at Tully Stadium and Coleman Coliseum. Also completed are two training rooms, dressing rooms for officials and areas for medical and field supplies.

Other improvements include:

- Concrete parking lot with added landscaping and irrigation
- New ticket booths to speed entry
- Concession stands and restrooms at north concourse
- Elevator to upper level and addition of more handicapped-accessible seating
- Set-up areas, with electricity, for booster clubs, etc.
- Press box renovations including relocation of walls and addition of outdoor deck for video film crews
- Lightening and cameras for security
- New fence
- Backup electrical generator
- New driveway at south end of Coleman Coliseum to loop entire site

*Fall 2009 football games will be played as scheduled. Please note that parking and entrances may change during the season as work progresses.*

### **Coleman Coliseum**

*Projected Completion: May 2010*

Coleman Coliseum closes after 2009 commencement ceremonies. Athletic teams will play in their campus gymnasiums for 2009-10. The coliseum will reopen for 2010 graduation. Look for these improvements over the next year:

- Replacement of heating/air conditioning system
- Handicapped chair lift accessibility from concourse level to athletic floor
- New ceiling and sports lights
- New seating
- Backup electrical generator
- Lightening and cameras for security
- New fence

### **Grob Stadium**

*Projected Completion: September 2009*

Work continues on Grob Stadium to include:

- Remodeled concession facility

- New handicapped-accessible restrooms
- New field poles and lights
- Backup electrical generator
- Lightening and cameras for security
- New fence
