

Why should you enroll in Pre-AP/AP courses?

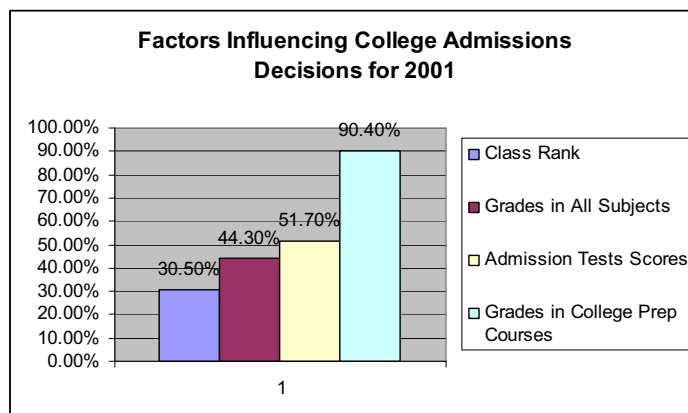

Many schools have created valuable honors courses, but AP courses are the only ones actually designed by teams of college professors.

- Taking Pre-AP/AP courses provides you an exciting learning environment with rigorous curriculum using higher-level critical-thinking strategies.
- Taking Pre-AP/AP courses sends a powerful message to colleges that you are ready to succeed in college.

Be a step ahead!

- Taking Pre-AP/AP courses enables you to gain college admission and college credit.

- Taking Pre-AP/AP exams increases your options to move into upper-level courses sooner, pursue a double major, or gain time to study and travel abroad.
