

My career goal is to be _____.

When I graduate from high school, I plan to:

() attend college at * _____
 or _____

or () attend technical school at * _____

or () enlist in the military service _____

or () find full time employment _____

(* may include part time employment while attending school)

Directions: Using a pencil, print the courses taken during the previous year (s) and the courses being taken this year. Then, fill in the courses you plan to take for the remaining years. Keep in mind that Guthrie Center courses typically take up two spaces. Others, such as marketing or internships, may take up three or four spaces.

My Four Year Plan

1. Use the Other Requirements blocks for courses like **Fine Arts, Technology Applications, Communication Applications, Languages Other Than English/ Foreign Language (LOTE), PE and Health.**
2. After you have filled in the spaces for the Other Requirements, you may fill in your Elective Choices.
 If a course is a ONE semester course, fill in the box with and her ONE semester course (Ex: Health/Individual & Family Life)
