

# Credit Checklist

Directions: For each passing grade you earn without a star next to it, place it the corresponding column. The first column is for the first semester and the second column is for the second semester if the course is a full year course. When in doubt, ask to speak to your counselor for clarification. By the end of the 12th grade year, students should have at least 24 credits if entering high school in 2001-2002 through 2006-2007 or 26 credits if entering high school in 2007-2008.
