 **Holidays**

bad weather days: Oct 12, Nov 25, Feb 15

flex day: Jan 18, 2010

These dates may be adjusted to fit individual campus or department schedules. Designated employees may be asked by the principal or department head to report on unscheduled days resulting in the need to grant compensatory days to offset the additional days. Principals or department heads are to keep track of the number of days worked in cases where the calendar of workdays has been changed.
