Campus Highlights

- **Instructional Tools for Students and Staff**
- **Safety and Security Upgrades**
- **Building and System Upgrades**
- **Wireless Modernization**
- **Communication System Upgrades**
- **Cabling and District Digital Security Upgrades**

The Spring Branch campus was replaced as part of the 2007 Bond Program.

2007 Bond Program Highlights of Interest:

- Original opening: 1938
- Reopening: January 2012
- Capacity: 716 students
- Size: 100,755 square feet
- Architect: Bay Architects
- Builder: Purcell Construction

Built on the site of Spring Branch's original schoolhouse, particular attention was given to the school's legacy. Terrazzo corridors through the building display historical timelines of both the Spring Branch area and the school district.

Great schools. Great community.
