

SPRING BRANCH INDEPENDENT SCHOOL DISTRICT

Celebrating the Class of 2019 Good Neighbors

Thank you, SBISD Good Neighbors!

Dear Friends and SBISD Good Neighbors,

As a resident, parent, and now the leader of our system, I know deeply that the support of the Spring Branch community is like no other. You embody what Collective Greatness looks like as we work to achieve T-2-4 for Every Child in SBISD.

I am humbled to recognize and celebrate 246 members of the Class of 2019 Good Neighbors for your strategic support of SBISD or the Spring Branch Education Foundation last school year. Some of you are long-time partners, and others have recently joined our work. Regardless, I thank you.

I firmly believe our schools and our communities are inextricably linked, with each dependent on the success of the other. You will see this belief reflected in SBISD's Partnership and Volunteer Program Framework, as it is foundational to engagement in SBISD.

Thank you for your partnership and for being part of the SBISD family!

With gratitude,

A handwritten signature in blue ink that reads "Jennifer Blaine". The signature is fluid and cursive, with the first name "Jennifer" and last name "Blaine" clearly distinguishable.

Building on our Good Neighbor Program

In 2006, SBISD launched the Good Neighbor Program to shape, frame and provide structure for partnership engagement and recognition. We now are pleased to share our Partnership and Volunteer Program (PVP) Framework that builds on our Good Neighbor tenets to affirm the critical role community partners play in the education of Every Child we serve.

Our partnerships and volunteer programs assert SBISD's commitment to and responsibility for a sustained, strategic emphasis on leveraging and engaging the community to provide our students, families and staff with the resources needed for success.

SBISD's PVP Framework aligns with SBISD's strategic priorities and the district's T-2-4 Goal to ensure post-secondary completion for all students.

The work of our system and of our partners rests upon SBISD's foundational Core Values: Every Child, Collective Greatness, Collaborative Spirit, Limitless Curiosity and Moral Compass.

- Safe, healthy and welcoming environments directly impact our community and our children
- Partners benefit from their shared commitment to support SBISD schools, students, families and employees
- SBISD and our partners should work together with a common agenda and shared set of measures to gauge our collective impact

Our Goals Our Measures

Every SBISD school will have the strategic partners necessary to provide the unique supports crucial to the success of its learning community.

SBISD partnerships and volunteer programs are aligned to and evaluated against SBISD's **Multiple Measures**:

- **School Connectedness**
- **Student Growth**
