Please answer the following questions (print or type):

1. What qualities do you possess which enable you to make contributions to the DIT?

I am a passionate Bilingual supporter of SBISD students that works hard to bring success to every student. I am a great listener and a problem solver and have ideas that can help other bring success to their students.

2. What are the major challenges you see SBISD facing in the next two years?

Newcomers and long term ELs have been a challenge for the district in the last few years. I believe that these students will impact our schools therefore we must address their needs immediately and bring social, emotional stability for them.

3. What role do you see the DIT having in addressing these challenges?

I work directly with an EL population and understand their daily challenges. I will be able to share some of the strategies that have been helpful for my students.
