## SAT/ACT BOOTCAMP

Catalyst's SAT Bootcamp is not a "mock" SAT or an infomercial for our services. Catalyst's SAT Bootcamp is a one-weekend seminar that ignites confidence and momentum by teaching students how to outsmart every type of question - and trap answers - they're going to encounter. Catalyst's SAT Bootcamp is uniquely poised to help students succeed because it is the only SAT class designed by instructors who have earned multiple perfect scores (2400) on the actual SAT. Students receive Catalyst's SAT prep book, self-study materials, diagnostic tests, as well as copies of essays that have earned perfect scores on actual SATs. PLEASE REGISTER FOR THIS CLASS AT **[WWW.CATALYSTPREP.COM](http://WWW.CATALYSTPREP.COM) 1-800-235-0056 use PROMO Code: SBISD Community Education**

#### NEVER UNDERESTIMATE THE POWER OF AN HOUR!!

Turn one hour a week into a life-changing experience for an SBISD student! Volunteer to be a mentor or tutor! We have hundreds of students waiting for the gift of a mentor - an adult role model, guide and friend - who spends 30-60 minutes weekly visiting with a Spring Branch ISD elementary, middle or high school student. Our SpringBoard mentor program has won local, state and national awards and is operating on more than a dozen campuses! Tutors are also needed across SBISD to support students' academic growth and achievement. We'll match you with a student who can benefit from the skills you wish to share - whether it's reading, math, or science. We need your help! Help us jumpstart the lives of our SBISD students in need. **Call Linda Buchman (713.251.2287), SBISD Community Relations Officer today or email: [partner@springbranchisd.com](mailto:partner@springbranchisd.com).**
