Clarifications and negotiations, if applicable, will become a part of the completed contract if included in the final contract document, duly executed by the Proposer and accepted by SBISD. An offer does not become a contract unless and until SBISD accepts it. 3.20.0 MULTIPLE CONTRACT AWARDS

These facts should be taken into consideration by each Proposer.

3.21.0 THROUGH INTERLOCAL AGREEMENTS

Pursuant to the Texas Education Code 44.031(a)(5), the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code and Chapter 271 of the Texas Local Government Code, it is anticipated that school districts will recognize the broad applicability of SBISD contracts and how they apply to school districts.

All Proposers should indicate their willingness to provide all or some of the goods and/or services requested in this proposal to other Districts. The responses to this proposal will be used as a baseline to determine which firms may be eligible for further participation in the district's marketing program. The marketing program is designed to help school districts improve their educational learning and business environments by the formation of mutually beneficial partnerships with firms that provide supportive expertise and services.

While each Interlocal Agreement will encompass part, or all of the services requested, each will be individually adapted, using the response from this CSP, to the individual needs of the participating district. Separate, but related contracts, will be drawn to reflect Agreements on each additional district partnership. Even though this CSP has been developed to be as comprehensive as possible, it is impossible to assure that all services needed in every Interlocal contract will be included in the CSP response. Therefore, all Proposers responding positively to this section shall also agree that such additional goods and/or services may be needed to satisfy the requirements of future Interlocal Agreements to provide goods and/or services to other districts will be included as part of this CSP.

3.22.0 OPEN RECORDS POLICY. SBISD is a governmental entity subject to the Texas Public Information Act. If a Proposer believes that its response, or parts of its response, may be exempted from disclosure under Texas law, the Proposer must specify page-by-page and line-by-line the parts of the response that it believes are exempt. In addition, the Proposer must specify which exception(s) to the Texas Public Information Act are applicable and provide detailed reasons to substantiate the exception(s). Vague or general claims to confidentiality will not be accepted. SBISD assumes no obligation or responsibility relating to the disclosure or nondisclosure of information submitted by Proposers.

3.23.0 CONFIDENTIAL INFORMATION OR TRADE SECRETS (Government Code, Article 252.049). If any of the information is considered to be confidential or a trade secret belonging to the Proposer and, if released would give advantage to a competitor or Proposer, that information should be filed with the proposal in a separate envelope marked "CONFIDENTIAL – DO NOT DUPLICATE WITHOUT PERMISSION".

If the Proposer breaches any provision of the proposal stipulations, becomes insolvent, enters voluntary or involuntary bankruptcy, or receivership proceedings, or makes an assignment for the benefit of creditors, SBISD will have the right (without limiting any other rights or remedies that it may have in the contract or by law) to terminate this contract with five (5) days written notice to the Proposer.

SBISD will then be relieved of all obligations, except to pay the value of the Proposer's prior performance (at a cost not exceeding the contract rate). The Proposer will be liable to SBISD for all costs exceeding the contract price that SBISD incurs in completing or procuring the service as described in the proposal. 4.9.0 OTHER REQUIREMENTS. Any problems or discrepancies that are not covered by the above requirements should be directed to the Director of Purchasing Services for a determination or clarification prior to any action taken on said problem or discrepancy. 8.13.0 SPRING BRANCH ISD CERTIFICATE OF INTERESTED PARTIES – FORM 1295. SBISD is required to comply with House Bill 1295, which amended the Texas Government Code by adding Section 2252.908, Disclosure of Interested Parties. Section 2252.908 prohibits SBISD from entering into a contract resulting from this CSP with a business entity unless the business entity submits a Disclosure of Interested Parties (Form 1295) to the District at the time business entity submits the signed contract.

"Interested Party" means a person:

- a) Who has a controlling interest in a business entity with whom SBISD contracts; or
- b) Who actively participates in facilitating the contract or negotiating the terms of the contract, including a broker, intermediary, adviser, or attorney for the business entity.

"Business Entity" means an entity recognized by law through which business is conducted, including a sole proprietorship, partnership, or corporation.

As a "business entity," all vendors must electronically complete, print, sign, and submit Form 1295 with their proposals even if no interested parties exist.

Proposers must file Form 1295 electronically with the Texas Ethics Commission using the online filing application, which can be found at:

https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm

Proposers must use the filing application on the Texas Ethics Commission's website to enter the required information on Form 1295. Proposers must print a copy of the completed form, which will include a certification of filing containing a unique certification number. The Form 1295 must be signed by an authorized agent of the business entity.

The completed Form 1295 with the certification of filing must be filed with SBISD by attaching the completed form to the vendor's solicitation response.

SBISD must acknowledge the receipt of the filed Form 1295 by notifying the Texas Ethics Commission of the receipt of the filed Form 1295 no later than the 30th day after SBISD receives the Form 1295. After SBISD acknowledges the Form 1295, the Texas Ethics Commission will post the completed Form 1295 to its website within seven business days.

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete an "unsworn declaration" which includes, among other things, the date of birth and address of the authorized representative signing the form.

A completed Form 1295 is not required for: a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity; a contract with an electric utility, as that term is defined by Section 31.002, Utilities Code; or a contract with a gas utility, as that term is defined by Section 121.001, Utilities Code.
