Please answer the following questions (print or type):

- What qualities do you possess which enable you to make contributions to the DIT?
Currently on the campus improvement at SBMS which I impact the decision on the community at my school.
- What are the major challenges you see SBISD facing in the next two years?
Disconnectedness within social economic groups. Over population in our school zones
- What role do you see the DIT having in addressing these challenges?
I would attempt to address this issue by making workshops that parents can attend, promoting skyward usage trainings, social events for parents students and teachers.
- Please discuss any issue/concern/observation/opportunity you have identified that has not been addressed.
Refine Parent Teacher relationship so that we are united front; *Inspiring minds. Shaping lives*
