All work resulting from this Contract must cease immediately after completion of the final accepted Purchase Order. Nothing in this Contract or in any other communication between SBISD and Vendor may be construed as a guarantee that SBISD will submit any Purchase Order to Vendor at any time.

5.41.0 EQUAL OPPORTUNITY

It is the policy of SBISD not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or handicapping conditions in its programs. Vendor agrees not to discriminate against any employee or applicant for employment to be employed in the performance of this Contract, with respect to hire, tenure, terms, conditions and privileges of employment, or a matter directly or indirectly related to employment, because of age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification) or race, color, religion, national origin, or ancestry. Neither SBISD or Vendor shall be deemed to have breached any provision of this Contract as a result of any delay, failure in performance, or interruption of service resulting directly or indirectly from acts of God, network failures, acts of civil or military authorities, civil disturbances, wars, energy crises, fires, transportation contingencies, interruptions in third-party telecommunications or Internet equipment or service, other catastrophes, or any other occurrences which are reasonably beyond SBISD or Vendor's control.

SBISD and Vendor are required to use due caution and preventive measures to protect against the effects of force majeure, and the burden of proving that a force majeure event has occurred shall rest on the party seeking relief under this provision.

The party seeking relief due to force majeure is required to promptly notify the other parties in writing, citing the details of the force majeure event and relief sought, and shall resume performance immediately after the obstacles to performance caused by a force majeure event have been removed, provided the Contract has not been terminated. Delay or failure of performance, by either party to this Contract, caused solely by a force majeure event, shall be excused for the period of delay caused solely by the force majeure event. SBISD and Vendor shall not have any claim for damages against any other party resulting from delays caused solely by force majeure. Notwithstanding any other provision of this Contract, in the event the Vendor's performance of its obligations under this Contract is delayed or stopped by a force majeure event, SBISD shall have the option to terminate this Contract. This section shall not be interpreted as to limit or otherwise modify any of SBISD's contractual, legal, or equitable rights.

5.43.0 SEVERABILITY

In the event any one or more of the provisions contained in this Contract shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Contract shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in it.

5.44.0 WAIVER

No failure on the part of either party at any time to require the performance by the other party of any term hereof shall be taken or held to be a waiver of such term or in any way affect such party's right to enforce such term, and no waiver on the part of either party of any term hereof shall be taken or held to be a waiver of any other term hereof or the breach thereof. No waiver, alteration, or modification of any of the provisions of this Contract shall be binding unless in writing and signed by duly authorized representatives of the parties hereto.

CONTRACT TERMS AND CONDITIONS, continued**5.45.0 ENTIRE AGREEMENT**

The Contract, the CSP, Vendor's proposal submitted in response to the CSP, the attached and incorporated attachments, addendum, and/or exhibits, if any, contain the entire agreement of the parties relative to the purpose(s) of the Contract and supersede any other representations, agreements, arrangements, negotiations, or understandings, oral or written, between the parties to this Contract. In the event of a conflict between this Contract and the CSP or Vendor's proposal submitted in response to the CSP, this Contract shall control. In the event of a conflict between the CSP and Vendor's proposal submitted in response to the CSP, the CSP shall control. 5.48.0 CAPTIONS

The captions herein are for convenience and identification purposes only, are not an Integral part hereof, and are not to be considered in the interpretation of any part hereof.

5.49.0 THROUGH INTERLOCAL AGREEMENTS

It is anticipated that school districts will recognize the broad applicability of SBISD contracts and how they apply to school districts. All Suppliers should indicate their willingness to provide all or some of the goods and/or services requested in this proposal to other Districts. The responses to this proposal will be used as a baseline to determine which firms may be eligible for further participation in the district's marketing program. The marketing program is designed to help school districts improve their educational learning and business environments by the formation of mutually beneficial partnerships with firms that provide supportive expertise and services. While each Interlocal Agreement will encompass part, or all of the services requested, each will be individually adapted, using the response from this RFP/CSP, to the individual needs of the participating district. Separate, but related contracts, will be drawn to reflect Agreements on each additional district partnership. Even though the RFP/CSP has been developed to be as comprehensive as possible, it is impossible to assure that all services needed in every interlocal contract will be included in the RFP/CSP response. Therefore, all Suppliers responding positively to this section shall also agree that such additional goods and/or services may be needed to satisfy the requirements of future Interlocal Agreements to provide goods and/or services to other districts will be included as part of this RFP/CSP.

6.0 EVALUATION AND AWARD OF PROPOSAL(S)

6.1.0 AWARD OF CONTRACT

In accordance with applicable laws, rules, and regulations for public procurement, award(s) will be made to the responsible Vendor(s) whose proposal(s) is/are determined after evaluation by SBISD to be the best value to SBISD. To qualify for evaluation, a proposal must have been submitted on time and must materially satisfy all mandatory requirements identified in this document.

6.3.0 EVALUATION OF PROPOSALS

The evaluation of the proposal will be performed by a committee consisting of designees of the district. It is critical to the ultimate award of this contract that this proposal be complete and accurate. While cost is an important factor, it should be understood that the district is under no obligation to accept the lowest proposal. In evaluating qualified proposals the following considerations will be taken into account for award recommendations (if applicable):

- (1) The purchase price;
- (2) The reputation of the vendor and of the vendor's goods or services;
- (3) The quality of the vendor's goods or services;
- (4) The extent to which the goods or services meet the district's needs;
- (5) The vendor's past relationship with the district;
- (6) The impact on the ability of the districts to comply with laws and rules relating to historically underutilized businesses;
- (7) The total long-term cost to the district to acquire the vendor's goods or services;
- (8) For a contract for goods and services, other than goods and services related to telecommunications and information services, building construction and maintenance, or instructional materials, whether the vendor or the vendor's ultimate parent company or majority owner:
 - (A) Has its principal place of business in the State of Texas; or
 - (B) Employs at least 500 persons in the State of Texas; and
- (9) Any other relevant factor specifically listed in the request for bids or proposals

6.3.1 Vendor Business Capabilities:

- Responsiveness of the proposal related to the scope of the work.
- The ability, capacity, and skill of the proposer to perform the services on a timely basis.
- Reputation of the supplier as evidenced by SBISD and outside referrals.
- Experience and qualifications of the business and individual members of the business in accomplishing similar services
- The sufficiency of financial resources and ability of business to perform the contract.
- Past performance in the area of customer support will play an important part in the evaluation of proposals.
