

SBISD Transfer Availability by Campus (2018-2019)

Within the Spring Branch ISD school district, any parent can apply for a Transfer, including in district and out-of-district families. Acceptance is based on the number of available openings, by grade level. The chart below shows current openings at each campus level. We do not post openings by grade level. Each school has a description which indicates the current availability for student transfers.

- **Available** – the school has openings in all/most grades
- **Limited** – The school has limited openings; some grade might be closed
- **Closed** – The school is closed to non-employee, non-residents. Transfers are only for SBISD residents and full-time, eligible SBISD employees.
