Tier 1 Prevention
Not Progressing
Tier 2 Interventions and Extensions
Not Progressing
Tier 3 Intense Remediation
• Teacher administers Universal Screener
• Teacher delivers differentiated instruction
• Teacher documents progress
• Teacher collaborates with PLCs
• After 3 weeks, if the student is not making progress, select new interventions , monitor, and document evidence for an additional 3-6 weeks
• Request SSC if student is not making progress
• Data study team meets to review data and make recommendations for SSC
• Student Support Committee (SSC) determines Tier II plan
• Implementation of Tier II Plan of action for minimum of 6 weeks
• Send parent notice when students begins intervention
• Code student in Skyward
• Teacher monitor and documents measureable, specific evidence related to S.M.A.R.T goals
• Utilize documentation, observations, data and student samples to plan intervention
• Teacher progress monitors on a weekly basis
• After 6 weeks, the SSC evaluates mutiple data points towards student's goal
• Student Support Committee (SSC) will increase level of support
• Implements Tier III Plan of Action with fidelity for minimum of 6 weeks
• Deliver supplemental intensive intervention
• Monitor and document measurable, specific evidence related to S.M.A.R.T goals
• Evaluate progress monitoring documentation for the S.M.A.R.T goals on a weekly basis
• If student is not progressing after 3 weeks SSC may adjust the intervention
• After 6 weeks, the SSC evaluate student progress toward goals
Progress
Progress
Improvement:
• Continue Regular Classroom Instruction
• Progress Monitoring
At decision, point SSC determines next steps:
• Continue Tier II, add changes to intervention
• Possible: Dyslexia, 504, Tier III, SPED referral
At decision, point SSC determines next steps:
• Continue 3 more weeks of intervention
• Possible move to Tier II
• Possible: Dyslexia, 504, SPED referral
If at the end of 3rd 9 weeks student does not meet promotion
GPC
• If GPC considers retention, complete retention matrix (to include Light's Retention Scale)
• If GPC recommends retention, complete all matrix exhibits
• If GPC recommends promotion, complete SBISD acceleration plan.
