What skills and experience do you bring that would enhance your contribution to the DIT? \*

I have quite a few years of experience working in SBISD and have worked at four different elementary schools. I will bring my knowledge of SBISD and Spring Branch community to the DIT. I love being able to share my perspective regarding special education and advocating for all students.

What are the major challenges you see SBISD facing in the next two years? \*

teacher shortages, sub shortages, funding

What role do you see the DIT having to address these challenges? \*

I am not familiar with what kind of role the DIT plays in the day-to-day happenings in SBISD, so I am not certain how the DIT would address these challenges. Hopefully, there are times the DIT works on problem solving for the district in order for any challenges to be addressed.

What knowledge and/or experience do you hope to gain by serving as a DIT member? \*

I hope to gain a better understanding of how SBISD is doing as a whole and what plans and/or changes SBISD has for the next few years.
