

### GROUP 1 SCHOOLS

I am applying for:

- ☒ Certified Teacher, PK/Elem
- ☐ Certified Teacher, Middle/High
- ☐ Certified, Special Education, PK-12

### GROUP 2 SCHOOLS

I am applying for:

- ☐ Certified Teacher, At-Large, PK-12
- ☐ Certified, Performing/Visual Arts, PK-12
- ☐ Certified, Gifted/Talented, PK-12

### GROUP 3 SCHOOLS

I am applying for:

- ☐ Certified Teacher, At-Large, PK-12
- ☐ Certified, Non-Teaching, At-Large, PK-12
- ☐ Certified, Foreign Language, PK-12

Name \*

Crystal Cuellar

Campus \*

Treasure Forest ES

Certification \*

4-8 generalist ESL cert.

Subject(s) currently teaching \*

Science

Grade level(s) currently teaching \*

K-5 science lab teacher all grade levels

Years of service in SBISD \*

4

What skills and experience do you bring that would enhance your contribution to the DIT? \*

My experience and skills that I would bring to enhance the DIT committee is I serve a large population of high ELL and at a Title One campus. I serve all students from K to 5th grade. I have my Masters degree in Administration and working toward leadership, I currently attend the Instructional leadership weekly meeting and plan with all grade levels for science. I ensure that science instruction is happening and at the level that student need in order to succeed. I am currently working with 5th grade to raise their level of mastery and hopes to to increase STAAR scores. I lead data meeting for PSA for all science grade levels and reflect on data with my teams and assist in creating action plans.

What are the major challenges you see SBISD facing in the next two years? \*

I see some challenges in science at the elementary level by not teaching science regularly and not have that consistent practice. I also see that students that are second language learners are struggling to learn the content. Plus writing concerns, where students struggle to write complete sentences or complete thoughts.

What role do you see the DIT having to address these challenges? \*

I see the DTI having role a to address writing, science and second language learners by assisting the students needs and coming up with a solution and plan to gradually increase instruction expectations, writing practices and second language learners program or assistance.

What knowledge and/or experience do you hope to gain by serving as a DIT member? \*

I hope to gain more knowledge at the district level and more experience overall with different viewpoints in a committee around the district, I have only served title one campuses in my 8 years of education and middle and elementary but would like to get a different perspective and learn from peers. I have experience at a campus level and now as a leader at my school but eventually would like to be leader in the district.
