What skills and experience do you bring that would enhance your contribution to the DIT? *

I have been a lead science teacher for 4 years in three different grade levels. I mentor our grade level science teachers in science and our team has shown consistent growth in the district. I served a primary role as a district science curriculum writer for 4th grade .

What are the major challenges you see SBISD facing in the next two years? *

SBISD has over 53% of students at risk of dropping out of school. The majority of those students are enrolled in our bilingual and English language learning programs.

What role do you see the DIT having to address these challenges? *

Develop an improvement plan that encompasses effective strategies, with positive outcome result.

What knowledge and/or experience do you hope to gain by serving as a DIT member? *

I hope to serve as a conduit for the concerns and interests of teachers and parents and expand my knowledge of a district collaborations that serve to meet the individual needs of each student.
