

SBISD Librarians' Suggested Reading List

Middle School

Summer 2019

"Reading is a joy, privilege, and the right of every patron. As you select library books you will read, please understand that every book is not the best choice for everyone. If a book is unappealing or offensive in any way, please return it and select another. You, patrons, know better than we, the library staff, what library materials best serve you and your standards and beliefs."
